

Guidelines for the delivery of goods to EWS

Delivery addresses

Delivery notification

The delivery of goods to our warehouses must be announced by the supplier or his forwarder with [TradeLink](#). To ensure an easy and fast delivery, please use the slot booking function on [TradeLink](#) and follow the steps indicated there. Please note: There may be longer waiting times or delays if you do not manage to stick to the slot which you are assigned to.

Parcel deliveries are excluded from this rule.
